**RE: Riverside Terrace East Railing Building Permit**

Dear Mark,

As previously discussed and agreed upon Riverside Terrace is signing and submitting to Restore the east railing permit application, zoning application and notice of commencement contingent upon shop drawings being submitted to the association prior to fabrication of the east rails for approval by the board of directors.

Signature and submission of the attached east railing permit application in no way constitutes the association's approval of design, color, configuration or anything else as it relates to the east railings.

Submission is solely for the purpose of expediting permit process and to receive comments if any from the City of Pompano Beach.

Sincerely,

Lorri M Hill, LCAM for the Board of Directors

Acknowledgement
