29	30 Don Hillman Generator onsite for new generator installation.	31 Don Hillman Generator onsite for new generator installation.	01	02	03	04
05	06	Notes: Called Boca Raton Development about replacing the pool bathroom door. Contacted management about new closures for the fire hose doors and to put the door back on floor 4. When Don Hillman was onsite for the old generator maintenance, the transfer switch failed again and had to be put back manually. The temporary outage affected the elevator and stairway lighting.
