08	09	Notes: A&B Dock checked our sea wall and it was ok. The problem at the SW corner of the pool area is being caused by 2 cracks in the Aloha sea wall. Aloha has been presented with a quote from A&B Dock to fix the problem. Once the Aloha sea wall is fixed we can pursue getting the SW corner fixed. The Thyssenkrupp Elevator contract expired at the end of the month. We are evaluating 3 companies to determine who to sign a new contract with.
