11	12	13	14	15 Board Meeting Email Sent to Owners	16	17 St Patrick's Day Party Lobby Flooded
18 Board Meeting 5pm	19	20	21	22	23	24
25	26	27	28	29	30 Replaced Pool Lifesaver Ring and Pool Thermometer	31
01	02	<b>Notes:</b> Blue Water Electric fixed the 7th floor catwalk exit signs on Feb 15th. On Mar 5th it was noticed that none of the exit signs were lighting up at night. Blue Water was contacted and it is expected the cause is connected to the previous repair. Lobby had substantial water on Sunday, March 17th. Possible causes are being watched: air conditioner and outside sprinkler on south side. Smoke alarm forms collected were delivered to the fire marshall. Four units remain outstanding. JK Property announced a new maintenance division for handyman work.
