23	24	25 Board Members met with 2 Shutter/Door/Window companies about the common areas.	26 Advanced Roofing onsite to power wash the roof.	27 Advanced Roofing onsite to power wash the roof.	28	29
30	31	<b>Notes:</b> The door closure on the N ground side broke and floor 8 N was not closing properly. Joe Demek and Sharon Dowling cleaned out the back storage room so work can begin on making it a bike room. Junk Shot was hired to remove the back storage room debris and the social patio furniture and other items that needed discarded around the building were included. Advanced Roofing informed the board that the roof needed to be power washed to prolong the roof life when the annual maintenance was performed. Board members met with All Florida Screens & Shutters and Family Shutter Supply Inc., to begin investigating the common areas for impact needs.
