13	14	15	16	17	18	19
20 Board Meeting 5:00pm using Zoom Emerald Isle Landscaping treated the grass today for sod worms.	21	22	23 Terrano Plumbing replaced part of the stack sewer pipe on the nw side.	24	25	26
27	28	29 Broward County opened all condo pools	30 Additional Request for Proposal on sewer issue sent out to 3 plumbing companies.	01	02	03
04	05	Notes: The main sewer line that needs replaced runs 95 feet under the garage floor. We have a quote from Terrano Plumbing and we are looking for at least 2 other quotes. This is an expensive project that will take between 10 and 12 days to complete. During the project ALL CARS WILL BE REMOVED FROM THE GARAGE and either parked outside or at the church. The amount of dust and odor that will be occur is the reason for the car removal. The project is expected to begin early in June. Black birds have been feasting on our grass and we have dollar weed. Both have been reported to Emerald Isle Landscaping for treatment.
