15 APlus Concrete Restoration onsite for crack repairs, 4th Floor ceiling repair and caulking north dryer vents.	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30 Native Pest Management onsite to treat subterranean termites	31	01	02	03	04
05	06	Notes: APlus Concrete contract signed for \$4800 which includes 4th floor catwalk ceiling repair, north wall crack repair and caulking of northside dryer vents. Subterranean termites were discovered around several columns in the garage. Quotes were reviewed from 3 companies for treatment and Native Pest Management offered the best approach. Pricing was \$3795 for the bait treatment and devices were installed around the property perimeter. The process takes 3 months to take affect and annual renewals will be done at a cost of \$759.
