27	28	29	30	31	01	02
03	04 Sharon Dowling - Painting Project Planning Process Course - Zoom Class	05	06	07	08	09
10	11	12 Unit 201 water leak in master bedroom reported.	13	14 Sandra reported that both skylights are leaking.	15	16
17 Board Meeting 5pm using Zoom	18 Sharon Dowling - Why Updating the Governing Documents of Assoc is so Important - Zoom Class	19	20	21	22	23
24	25	26	27	28	29	30
01	02	Notes: Unit 201 experienced water leaking during the torrential rains. There appears to be a few cracks on the outside wall. Management is getting quotes for fixing the cracks One quote received from APlus Concrete Restoration was too expensive and the board has asked for a revision for just treating the immediate issue. Still waiting on additional quotes Management contacted Paul Bange Roofing about the leaking skylights.
