03	04	<p>Notes:</p> <p>The broken ladder in the pool pit was finally replaced. Owners that had their door(s) treated for termites in June were notified. Rick Goldfarb's briefcase was stolen and it contained the keys to all of his properties. Thankfully he did not have the property keys marked but for security, the fob and handyman fob for JK was removed from our system. AFter Don Hillman did generator maintenance on the17th, Mike Bisaha tried to start it and it would not start. Don Hillman onsite on the 20th to fix the issue. Elevator door has not been closing properly on the top floor. Thysennkrump will check all floors.</p>
