15 Board Meeting 5pm via Zoom	16	17	18 Dennis Rosenfeld met with Pipe Lining Technologies	19	20	21
22 Reports of a bad smell in the trash rooms and elevator	23 Reports of a bad smell in the trash rooms and elevator	24 Reports of a bad smell in the trash rooms and elevator	25 Michael Wright cleaned the dumpster	26 Permit forms for the concrete work were resubmitted to the city,	27	28 Handle on sliding door in social room broken off reported
29 Pest Relief onsite for bi- monthly treatment	30	31	01	02	03	04
05	06	Notes: The meeting with Pipe Lining Technologies was informative. This company was the original pipe lining company. They will need to do their own camera inspection of the sewer pipes in the garage for a cost of \$3575. The board will vote on moving forward with the inspection at the September board meeting. The presentation from this company was better than the previous company that quoted. The permit forms were submitted early in August but the seal was not correct on forms issued from the engineering firm, TRC. The issue was fixed and the application was resubmitted again. Each submission takes approx 3-4 weeks to process.
