07 Boca Development Group onsite to see the pump doors.	08 Inspection/Repair pool bathroom roof.	09	10 Anthony Lock fixed stair doors locking issue. The stricker plates were installed backwards.	11	12	13
14	15	16	17	18	19	20
21 Board Meeting 5pm Lobby A/C flooding lobby again, Started looking for new A/C solution.	22 Met with Kyle from Emerald Isle Landscaping. Palm tree in parking lot is diseased and must be taken down.	23	24 Palm trees trimmed and diseased palm removed	25	26	27
28 The flag was replaced with one Kathy Schutt had purchased for us.	29 Sent proposed 2020 budget to the board for review.	30	31	01	02	03
04	05	Notes: The pump room doors outside are in bad shape and our insurance inspector cited us because the doors are extremely hard to open. Boca Development Group was contacted to quote replacing the doors. Boca did the fire door replacement in 2017. Property Management found a leak on the wall of the pool room bathroom. Diseased palm tree will be replaced when the paving project is completed. Our flag was in bad shape and was replaced.
