03	04	Notes: Crescent Cleaning has been replaced the NextGen Cleaning Services. Our new cleaner is Mike. He will be cleaning M-F from 8am to noon. The Aloha has not been returning our correspondence requests so it was decided to move forward with the sea wall/patio repairs without them. We will attempt to recoup some of the cost from them after the job is completed. The damage between our properties should be a shared cost and landscape repairs on the Aloha side should be their responsibility. Most of the cost is still incurred by us since most of the damage is on our property. Thanks to Bill & Marg Todd and Billy & Vera Castro for the holiday decorating.
